The initial boards of directors of Reorganized AMI and the other Reorganized Debtors shall be disclosed in the Plan Supplement (or as soon thereafter as is reasonably practicable). The initial boards of directors of Reorganized AMI shall be composed of nine members, eight of whom shall be selected by members of the Committee consistent with the terms outlined in the Stockholders Agreement, and one of whom shall be the post-Effective Date chief executive officer of AMI and AMO.

(d) Officers of Reorganized AMI and the Other Reorganized Debtors.

The initial officers of Reorganized AMI and the other Reorganized Debtors shall be disclosed in the Plan Supplement (or as soon thereafter as is reasonably practicable). The selection of officers of Reorganized AMI and the other Reorganized Debtors after the Effective Date shall be as provided in the respective restated certificates of incorporation and restated bylaws or other organizational documents of Reorganized AMI or the applicable Reorganized Debtor.

(e) Escrow Issuer for New First Lien Financing and the New Second Lien Financing, if Applicable.

On the Petition Date, or as soon as practicable thereafter, the Debtors will file a motion (the “**Escrow Motion**”) requesting an order from the Bankruptcy Court finding that New LLC and the Escrow Issuer are non-Debtor entities and that any proceeds of the New First Lien Notes Offering and the New Second Lien Notes Offering or other assets held by New LLC and Escrow Issuer will not be deemed property of the Debtors’ Estates and will not be consolidated with the Debtors’ assets or Estates. In addition, the Debtors will request Bankruptcy Court approval for authority to transfer approximately \$15 million into escrow or to the Escrow Issuer to pay fees, including fees payable to the indenture trustees, the collateral agents and the escrow agents with respect to the New First Lien Notes and the New Second Lien Notes, interest and other amounts associated with (y) the New First Lien Financing and (z) the New Second Lien Financing. Upon Bankruptcy Court approval of the Escrow Motion, the Escrow Issuer will (i) enter into related escrow agreements, pursuant to which the proceeds of the New First Lien Notes Offering, that portion of the New Second Lien Financing provided by third-party investors (if any) and other amounts relating to other payment obligations in respect of the New First Lien Financing and New Second Lien Financing will be held pending consummation of the Plan; (ii) grant a lien for the benefit of the New First Lien Holders on the proceeds from the New First Lien Notes Offering and all other assets in the applicable escrow account; and (iii) grant a lien for the benefit of the New Second Lien Holders on the proceeds from the New Second Lien Notes Offering (if any) who purchased their New Second Lien Notes for Cash and all other

assets in the applicable escrow account. On the Effective Date, (a) the Escrow Issuer will merge into Reorganized AMI, which will assume the ongoing liability for the New First Lien Notes and New Second Lien Notes under the New First Lien Indenture and the New Second Lien Indenture, respectively, and the related registration rights agreements; (b) Reorganized AMI shall be authorized to distribute the New Second Lien Notes; (c) Reorganized AMI and the Reorganized Debtors shall be authorized to execute, deliver and enter into, *inter alia*, the Intercreditor Agreements and collateral documents without the need for any further corporate action and without further action by the Holders of Claims or Interests; and (d) the proceeds of the New First Lien Notes Offering and the New Second Lien Notes Offering (and any other amounts held in escrow) will be released from escrow.

5.3 Distribution of New Second Lien Financing.

On the Effective Date, the New Second Lien Notes that were not issued for Cash in the New Second Lien Notes Offering shall be distributed on behalf of Reorganized AMI to (a) Holders of Allowed Term Facility Claims to the extent provided in Section 4.2 hereof, (b) at the election of the Debtors, Holders of Allowed PIK Notes Claims to the extent provided in Section 4.5 hereof, and (c) the Backstop Parties as set forth in Sections 4.2(b) and 4.5(b) above and Section 5.4 below. On the Effective Date, Holders who receive New Second Lien Notes pursuant to the Plan will be deemed to become parties to the registration rights agreement relating to the New Second Lien Notes as a result of the distribution they receive under the Plan.

5.4 Offer to Purchase New Second Lien Notes.

Pursuant to and in accordance with the terms of the Backstop Agreement, the Backstop Parties have, severally and not jointly, committed to purchase their allocable share of any New Second Lien Notes that would otherwise be distributed to the Holders of the Allowed Term Facility Claims (excluding any Backstop Party) pursuant to Section 4.2(b) hereof (the “**Backstop Commitment**”) to the extent such Holders have made the election described in the next sentence. Holders of Allowed Term Facility Claims may elect to have the Backstop Parties purchase their *pro rata* share of the New Second Lien Notes for the face amount of such New Second Lien Notes pursuant to an election form that, subject to Bankruptcy Court approval, will be distributed to such Holders no later than 10 days after the Petition Date. Any Holder of an Allowed Term Facility Claim electing to have the Backstop Parties purchase their share of the New Second Lien Notes must do so by noting its election on such Holder's supplemental election form and returning same to the Debtors by no later than 10 Business Days after the date the election form is distributed (or such later date that has been agreed to by the Debtors). The mechanism by which electing Holders of Allowed Term Facility Claims will exercise their put option to ensure that such Holders will obtain Cash in exchange for their allocation of New Second Lien Notes will be set forth in the supplemental election form. Consummation of the purchase of such New Second Lien Notes shall occur on the Effective Date. If one or more Term Facility Lenders exercises its option to put its *pro rata* allocation of New Second Lien Notes to the Backstop Parties, the Backstop Parties shall receive from the Debtors a fee equal to 5% of the aggregate principal amount of New Second Lien Notes issued or put to the Backstop Parties by the Term Facility Lenders, which fee shall be payable in Cash.

In addition, pursuant to and in accordance with the terms of the Backstop Agreement, in consideration for undertaking their commitments under the Backstop Agreement, the Backstop Parties shall be entitled to a fully earned and nonrefundable fee payable in fully-paid and non-assessable New Common Stock, representing 5% (the “**Backstop Percentage Interest**”) of the New Common Stock to be issued and outstanding on the Effective Date, which 5% shall be calculated after giving effect to the issuance of New Common Stock to the Backstop Parties on account of any Subordinated Notes they hold and without dilution in respect of the Additional Shares (as defined below) (collectively, the “**Initial Shares**”); provided that, if the Backstop Parties are not required to purchase (or elect to receive) a portion of the New Second Lien Notes pursuant to the terms of the Backstop Agreement, then the Backstop Percentage Interest shall be reduced to 3.5%. In addition, on the Effective Date, each Backstop Party shall be entitled to such additional fully-paid and non-assessable shares of New Common Stock (collectively, the “**Additional Shares**” and, together with the Initial Shares, the “**Backstop Shares**”) as are required so that its Initial Percentage Ownership shall not be diluted by the issuance of the Initial Shares. The issuance of Backstop Shares to the Backstop Parties shall be subject to dilution by the Equity Incentive Plan. The Backstop Agreement provides for the execution of a registration rights agreement, on commercially reasonable terms to be mutually agreed upon, to be entered into between the Reorganized Debtors and the Backstop Parties.

5.5 Issuance of New Common Stock and New Preferred Stock, if Applicable.

The issuance of New Common Stock and the New Preferred Stock (if applicable) by Reorganized AMI shall be authorized without the need for any further corporate action. On the Effective Date, Reorganized AMI shall issue the New Common Stock and the New Preferred Stock (if applicable). Reorganized AMI shall:

- (a) issue the shares of New Common Stock to the Holders of Allowed 2011 Notes and Subordinated Notes as set forth herein;
- (b) issue the New Preferred Stock to the Holders of Allowed PIK Notes, if applicable;
- (c) pursuant to the Equity Incentive Plan described in Section 5.9 below, issue up to 6.5% of the shares of New Common Stock to certain employees, directors and consultants of the Reorganized Debtors and such employees, directors and consultants will be deemed parties to the Stockholders Agreement; and
- (d) issue the Backstop Shares to the Backstop Parties pursuant to the Backstop Agreement.

5.6 Merger/Dissolution/Consolidation.

On or as of the Effective Date or as soon as practicable thereafter and without the need for any further action, the Reorganized Debtors may (i) cause any or all of the Debtors to be merged into one or more of the Reorganized Debtors, dissolved or otherwise consolidated, (ii) cause the transfer of assets between or among the Reorganized Debtors, or (iii) engage in any

other transaction in furtherance of the Plan. In addition, as of the Effective Date, (a) the Escrow Issuer and New LLC will merge into Reorganized AMI and (b) AMO will merge into Reorganized AMI.

5.7 Cancellation of Existing Securities and Agreements.

Except as otherwise provided hereunder, including Section 8.4 hereof, on the Effective Date, all of the agreements and other documents evidencing (a) the Claims or rights of any Holder of a Claim against the Debtors, including all credit agreements, indentures and notes evidencing such Claims, (b) the Interests in AMI, and (c) any options or warrants to purchase Interests of AMI, or obligating such Debtors to issue, transfer or sell Interests or any other capital stock of such Debtors, shall be cancelled. Notwithstanding the foregoing and anything contained in the Plan, the Indentures shall continue in effect to the extent necessary to (i) allow the Reorganized Debtors and the Indenture Trustees to make distributions pursuant to the Plan on account of the Claims under the respective Indentures, (ii) permit the Indenture Trustees to assert their charging liens, (iii) permit the applicable Indenture Trustee to perform such other functions with respect thereto, (iv) permit the Indenture Trustees to maintain and enforce any right to indemnification, contribution or other Claim it may have under the Indentures, (v) permit an Indenture Trustee to exercise its rights and obligations relating to the interests of the applicable noteholders and their relationship with the noteholders, and (vi) appear in these Chapter 11 Cases, so long as for purposes of such clauses (v) and (vi) above, the Indenture Trustees are not reimbursed by the Debtors for fees and expenses for post-Effective Date services in connection therewith.

5.8 Surrender of Existing Securities.

As a condition precedent to receiving any distribution on account of Allowed Notes Claims, each record Holder of any such securities shall be deemed to have surrendered such securities or other underlying documentation and all such surrendered securities and other documentation shall be deemed to be cancelled in accordance with Section 5.7 of the Plan.

5.9 Equity Incentive Plan.

As of the Effective Date, Reorganized AMI shall establish the Equity Incentive Plan, which will provide for up to 10% of the New Common Stock on a fully diluted basis, of which no more than 6.5% shall be issued as soon as practicable to the officers and key employees of the Reorganized Debtors and their affiliates as determined by the New Board of Reorganized AMI after the Effective Date.

5.10 Director Severance Plan.

As of the Effective Date, the Reorganized Debtors shall establish the Director Severance Plan. Pursuant to the Director Severance Plan, the Debtors provide severance benefits to certain directors of AMI upon certain terminations of their service as members of the board. Upon the termination of the service of certain non-employee directors as a member of the board, such directors shall be entitled to receive a lump sum cash payment in an amount equal to

\$35,000 for each year and partial year during which such director served on the board, payable within thirty (30) days following the date of termination.

5.11 Cancellation of Liens. Except as otherwise provided in the Plan, upon the occurrence of the Effective Date, any lien securing any Secured Claim shall be deemed released, and the Holder of such Secured Claim shall be authorized and directed to release any Collateral or other property of any Debtor (including any Cash Collateral) held by such Holder and to take such actions as may be requested by the Reorganized Debtors to evidence the release of such lien, including the execution, delivery and filing or recording of such releases.

5.12 Compromise of Controversies.

In consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Claims and controversies resolved under the Plan, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under Bankruptcy Rule 9019.

5.13 Stockholders Agreement.

On the Effective Date, creditors, directors, officers and consultants who receive New Common Stock pursuant to the Plan will be deemed to become parties to the Stockholders Agreement as a result of the distribution they receive under the Plan. The Stockholders Agreement shall contain certain customary rights and obligations, including director designation rights, right of first offer, registration rights, drag rights, tag rights, minority transfer rights and rights to receive certain information concerning the Debtor's at a party's option and limits on the number of record holders. Each creditor (including the beneficial Holder of any Note Claim held of record by the Depository Trust Company ("**DTC**") or its nominee or such other securities depository or custodian thereof or is held in book entry or electronic form pursuant to a global security held by DTC), director, officer and consultant who receives New Common Stock pursuant to the Plan may be requested to execute the Stockholders Agreement as a result of the distribution they receive under the Plan.

5.14 Listing of New Common Stock and Transfer Restrictions.

Other than as provided in the Stockholders Agreement, the Reorganized Debtors shall not be obligated, and do not intend, to list the New Common Stock on a national securities exchange. In order to ensure that Reorganized AMI will not become subject to the reporting requirements of the Securities Exchange Act, except in connection with a public offering, the New Certificate of Incorporation and the Stockholders Agreement will impose certain trading restrictions to limit the number of record holders thereof. The New Common Stock will be subject to certain transfer and other restrictions pursuant to the Stockholders Agreement and the New Certificate of Incorporation.

5.15 Exemption from Securities Laws.

Section 3(a)(9) of the Securities Act provides that, except for securities exchanged in a case under chapter 11 of the Bankruptcy Code, the registration requirements of section 5 of

the Securities Act shall not apply to securities exchanged by an issuer with its existing security Holders exclusively where no commission or other remuneration is paid or given directly or indirectly for soliciting such exchange. By virtue of section 18 of the Securities Act, section 3(a)(9) also provides that any state “blue sky” law requirements shall not apply to such exchange.

Section 4(2) of the Securities Act provides that the registration requirements of section 5 of the Securities Act shall not apply to the offer and sale of a security in connection with transactions not involving any public offering. By virtue of section 18 of the Securities Act, section 4(2) also provides that any state “blue sky” law requirements shall not apply to such offer or sale.

Section 1145 of the Bankruptcy Code provides that the registration requirements of section 5 of the Securities Act (and any state Blue Sky Law requirements) shall not apply to the offer or sale of stock, options, warrants, or other securities by a debtor if (a) the offer or sale occurs under a plan of reorganization; (b) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense against, the debtor; and (c) the securities are issued in exchange for a claim against or interest in a debtor or are issued principally in such exchange and partly for cash and property.

In reliance upon these exemptions, the distribution of the New Common Stock, New Preferred Stock, if applicable, New PIK Notes, if applicable, and New Second Lien Notes pursuant to the Plan will not be registered under the Securities Act or any state “blue sky” law requirements.

5.16 Exemption from Transfer Taxes.

Pursuant to Bankruptcy Code section 1146(a), any issuance, transfer or exchange of notes or equity securities under the Plan, the creation of any mortgage, deed of trust or other security interest, the making or assignment of any lease or sublease, or the making or delivery of any instrument of transfer from a Debtor to a Reorganized Debtor or any other Person pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment, and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. Without limiting the foregoing, any issuance, transfer or exchange of a security or any making or delivery of an instrument of transfer pursuant to the Plan shall be exempt from the imposition and payment of any and all transfer taxes (including, without limitation, any and all stamp taxes or similar taxes and any interest, penalties and addition to the tax that may be required to be paid in connection with the Consummation of the Plan and the Plan Supplement Documents) pursuant to Bankruptcy Code sections 1146(a), 505(a), 106 and 1141.

5.17 D&O Insurance Policy.

As of the Effective Date, the Reorganized Debtors will assume the D&O Insurance Policy pursuant to Bankruptcy Code section 365(a). Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of the D&O Insurance Policy. Until the sixth anniversary of the Effective Date, Reorganized AMI shall cause the individuals serving as directors of the Reorganized Debtors to be covered by the D&O Insurance Policy (provided that Reorganized AMI may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less advantageous in any material respect than the D&O Insurance Policy); provided that in no event shall Reorganized AMI be required to expend annually in the aggregate an amount in excess of 150.0% of the annual premiums currently paid by AMI for such insurance (the "**Insurance Amount**"), and provided further that if Reorganized AMI is unable to maintain the D&O Insurance Policy (or such substitute policy) as a result of the preceding proviso, Reorganized AMI shall obtain as much comparable insurance as is available for the Insurance Amount.

SECTION 6. DISTRIBUTIONS

6.1 Voting of Claims.

Each Holder of an Allowed Claim in an impaired class of Claims that is entitled to vote on the Plan pursuant to Sections 3 and 4 of the Plan shall be entitled to vote separately to accept or reject the Plan, as provided in such order as is entered by the Bankruptcy Court approving procedures with respect to the solicitation and tabulation of votes to accept or reject the Plan, or any other order of the Bankruptcy Court.

6.2 Cramdown and No Unfair Discrimination.

In the event that any impaired Class of Claims or Interests rejects the Plan or is deemed to have rejected the Plan, the Debtors reserve the right, without any delay in the occurrence of the Confirmation Hearing or Effective Date, to (a) request that the Bankruptcy Court confirm the Plan in accordance with Bankruptcy Code section 1129(b) with respect to such non-accepting Class, in which case the Plan shall constitute a motion for such relief, and/or (b) amend the Plan in accordance with Section 12.6 hereof.

6.3 Distribution Record Date.

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims as maintained by the Debtors, or their respective agents, shall be deemed closed, and there shall be no further changes in the record Holders of any of the Claims. The Debtors or the Reorganized Debtors, as applicable, shall have no obligation to recognize any transfer of Claims occurring on or after the Distribution Record Date. The Debtors, the Reorganized Debtors or any party responsible for making distributions pursuant to this Section 6 shall be entitled to recognize and deal for all purposes hereunder only with those record Holders stated on the transfer ledgers as of the close of business on the Distribution Record Date, to the extent applicable.

6.4 Date of Distributions.

Except as otherwise provided herein, any distributions and deliveries to be made hereunder shall be made on the Effective Date or as soon thereafter as is reasonably practicable. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. For the avoidance of doubt and as set forth below, only the Reorganized Debtors, the Administrative Agent or the Indenture Trustees may act as Disbursement Agent.

6.5 Sources of Cash for Distributions.

Except as otherwise provided herein or in the Confirmation Order, all Cash required for the payments to be made hereunder shall be obtained from the Debtors' and the Reorganized Debtors' operations, Cash on hand, the New Revolver Facility, New First Lien Financing, and that portion, if any, of the New Second Lien Financing that is issued for Cash.

6.6 Disbursement Agent.

Unless otherwise specified herein, all distributions under the Plan shall be made by AMO as Disbursement Agent or such other Entity designated by AMO as a Disbursement Agent on the Effective Date. No Disbursement Agent hereunder, including, without limitation, the Administrative Agent and the Indenture Trustees, shall be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

6.7 Rights and Powers of the Disbursement Agent.

Each Disbursement Agent shall be empowered to (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties hereunder, (b) make all distributions contemplated hereby, (c) employ professionals to represent it with respect to its responsibilities, and (d) exercise such other powers as may be vested in the Disbursement Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by such Disbursement Agent to be necessary and proper to implement the provisions hereof.

6.8 Expenses of the Disbursement Agent.

Except as otherwise ordered by the Bankruptcy Court, any reasonable fees and expenses incurred by each Disbursement Agent acting in such capacity (including taxes and reasonable attorneys' fees and expenses) on or after the Effective Date shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

6.9 Delivery of Distributions.

(a) Last Known Address. Subject to Bankruptcy Rule 9010, all distributions to any Holder of an Allowed Claim shall be made to the address of such Holder as set forth in the books and records of the Debtors, unless the applicable Reorganized Debtor has been notified in writing of a change of address. In the event that any distribution to any Holder is returned as

undeliverable, the Disbursement Agent shall use reasonable efforts to determine the current address of such Holder, but no distribution to such Holder shall be made unless and until the Disbursement Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided, however*, that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interest in property shall revert to the Reorganized Debtors, and the Claim of any other Holder to such property or interest in property shall be discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

(b) Distributions by Administrative Agent. The Administrative Agent shall be the Disbursement Agent for the Term Facility Claims and the Revolver Claims. Distributions under the Plan to Holders of such Allowed Term Facility Claims and Allowed Revolver Claims shall be made by the Reorganized Debtors to the Administrative Agent, which, in turn, shall make the distributions to the Holders of such Allowed Claims and, upon completion thereof, shall be discharged from all of its obligations associated with the Term Facility Claims and the Revolver Claims. The Administrative Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to its administration of distributions. Upon delivery by the Reorganized Debtors of the distributions to the Administrative Agent in conformity with Sections 4.2(b) and 4.3(b), the Reorganized Debtors shall be released of all liability with respect to the delivery of such distributions.

The Administrative Agent acting as Disbursement Agent shall only be required to act and make distributions in accordance with the terms of the Plan and shall have no (A) liability (other than gross negligence and willful misconduct) for actions taken in accordance with the Plan or in reliance upon information provided to it in accordance with the Plan or (B) obligation or liability for distributions under the Plan to any party who does not hold a Claim against the Debtors as of the Distribution Record Date or who does not otherwise comply with the terms of the Plan.

Notwithstanding any provision contained in the Plan to the contrary, unless otherwise agreed to by the Administrative Agent and the Debtors, all reasonable, actual and documented fees and expenses incurred on or after the Effective Date by the Administrative Agent in connection with distributions made pursuant to this Plan, shall be paid in Cash by the Reorganized Debtors within 10 days of the presentation of invoices by the Administrative Agent and without the need for application to, or approval by, any Court.

(c) Distributions by the Indenture Trustees. The Indenture Trustees shall be the Disbursement Agent for the Allowed Notes Claims. Distributions under the Plan to Holders of Allowed Notes Claims shall be made by Reorganized Debtors to, or at the direction of, the Indenture Trustees, which, in turn, shall make or direct the distributions to the Holders of such Allowed Notes Claims and, upon completion thereof, shall be discharged from all of their obligations associated with the 2011 Notes, Subordinated Notes and PIK Notes. Such distributions shall be made in accordance with the terms of the Plan and the respective Indentures. Upon delivery of the distribution set forth in Sections 4.5(b), 4.6(b) and 4.7(b) to, or at the direction of, the Indenture Trustees, the Reorganized Debtors shall be released of all liability with respect to the delivery of such distributions. The Indenture Trustees shall not be

required to give any bond, surety or other security for the performance of its duties with respect to its administration of distributions.

The applicable Indenture Trustee acting as Disbursement Agent shall only be required to act and make distributions in accordance with the terms of the Plan and shall have no (A) liability (other than gross negligence and willful misconduct) for actions taken in accordance with the Plan or in reliance upon information provided to it in accordance with the Plan or (B) obligation or liability for distributions under the Plan to any party who does not hold a Claim against the Debtors as of the Distribution Record Date or who does not otherwise comply with the terms of the Plan.

If the record holder of a Subordinated Note, PIK Note or 2011 Note is DTC or its nominee or such other securities depository or custodian thereof or is held in book entry or electronic form pursuant to a global security held by DTC, then the beneficial holder of such a Note Claim shall be deemed to have surrendered such holder's security, note, debenture or other evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof.

Notwithstanding any provision contained in the Plan to the contrary, unless otherwise agreed to by the Indenture Trustees and the Debtors, all reasonable, actual and documented fees and expenses incurred by the applicable Indenture Trustee in connection with distributions made pursuant to this Plan, shall be paid in Cash by the Reorganized Debtors within 10 days of the presentation of invoices by each Indenture Trustee and without the need for application to, or approval by, any Court.

6.10 Manner of Payment Under Plan.

(a) All distributions of New Second Lien Notes to the Holders of Claims under the Plan shall be made by, or at the direction of, the applicable Disbursement Agent on behalf of Reorganized AMI.

(b) All distributions of New Common Stock to the Holders of Claims and the Backstop Parties under the Plan shall be made by the Disbursement Agent on behalf of Reorganized AMI.

(c) All distributions of New Common Stock to employees, directors and consultants made on account of the Equity Incentive Plan shall be made by Reorganized AMI.

(d) All distributions of New Preferred Stock, if any, to Holders of Claims under the Plan shall be made by the Disbursement Agent on behalf of Reorganized AMI.

(e) All distributions of Cash under the Plan shall be made by the applicable Disbursement Agent on behalf of the applicable Debtor.

(f) At the option of the applicable Disbursement Agent, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements.

6.11 No Fractional Shares of New Common Stock or New Preferred Stock, if Any.

No fractional shares of New Common Stock or New Preferred Stock, if any, shall be issued or distributed under the Plan, and no Cash shall be distributed in lieu of such fractional shares. When any distribution pursuant to the Plan would otherwise result in the issuance of a number of shares of New Common Stock or New Preferred Stock, if any, that is not a whole number, the actual distribution of shares of New Common Stock or New Preferred Stock, if any, shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Stock or New Preferred Stock, if any, to be distributed pursuant to the Plan shall be adjusted as necessary to account for the foregoing rounding.

6.12 Setoffs and Recoupment.

The Debtors and the Reorganized Debtors may, but shall not be required to, setoff against any Claim (for purposes of determining the Allowed amount of such Claim on which distribution shall be made) any claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the Holder of such Claim, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claim the Debtors or the Reorganized Debtors may have against the Holder of such Claim.

6.13 Distributions After Effective Date.

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

6.14 Cash Distributions.

No payment of Cash of less than \$100 shall be made to any holder of an Allowed Claim unless a request therefor is made in writing to the appropriate Disbursement Agent.

6.15 Allocation of Distributions Between Principal and Interest.

In the case of distributions with respect to any Notes Claim pursuant to this Plan, the fair market value of any distribution received by the Holder of such Notes Claim will be allocable first to the principal amount of such Notes Claim (as determined for federal income tax purposes) and then, to the extent of any excess, the remainder of the Notes Claim.

6.16 No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or as required by applicable bankruptcy law, postpetition interest shall not accrue on or after the Petition Date on account of any Claim.

SECTION 7. PROCEDURES FOR DISPUTED CLAIMS

7.1 Disputed Claims/Process.

On and after the Effective Date, except as otherwise provided herein, all Claims will be paid in the ordinary course of business of the Reorganized Debtors. Except insofar as a Claim is Allowed pursuant to the Plan, the Debtors may dispute Claims, and if the Debtors dispute any Claim, such dispute shall be determined, resolved or adjudicated, as the case may be, in a manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced. Notwithstanding Bankruptcy Code section 502(a), and considering the unimpaired treatment of all holders of General Unsecured Claims under this Plan, all proofs of claim filed in these Chapter 11 Cases shall be considered objected to and disputed without further action by the Debtors. Upon the Effective Date, all proofs of claim filed against the Debtors, regardless of the time of filing, and including claims filed after the Effective Date, shall be deemed withdrawn. The deemed withdrawal of all proofs of claim is without prejudice to each claimant's rights under this Section 7.1 to assert their claims in any forum as though the Chapter 11 Cases had not been commenced.

7.2 Objections to Claims.

Except insofar as a Claim is Allowed under the Plan and notwithstanding Section 7.1 above, the Debtors, the Reorganized Debtors or any other party in interest shall be entitled to object to Claims, if necessary.

7.3 Estimation of Claims.

The Debtors and the Reorganized Debtors may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to Bankruptcy Code section 502(c), regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation, and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

7.4 No Distributions Pending Allowance.

Notwithstanding any provision otherwise in the Plan: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order and (b)

any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order and the Claim has been Allowed.

7.5 Distributions After Allowance.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursement Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required under applicable bankruptcy law.

7.6 Preservation of Claims and Rights to Settle Claims.

Except as otherwise provided herein, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan, in accordance with Bankruptcy Code section 1123(b), the Reorganized Debtors shall retain and may enforce, sue on, settle or compromise (or decline to do any of the foregoing) all claims, rights, causes of action, suits and proceedings, whether in law or in equity, whether known or unknown, that the Debtors or their Estates may hold against any Person, without the approval of the Bankruptcy Court, subject to the terms of Section 7.2 hereof, the Confirmation Order, and any contract, instrument, release, indenture, or other agreement entered into in connection herewith. The Reorganized Debtors or their successor(s) may pursue such retained claims, rights, causes of action, suits or proceedings, as appropriate, in accordance with the best interests of the Reorganized Debtors or their successor(s) who hold such rights.

SECTION 8. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1 Assumption and Rejection of Contracts and Leases.

Except as otherwise provided herein, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan, as of the Effective Date, the Debtors shall be deemed to have assumed each executory contract and unexpired lease to which they are a party, unless such contract or lease (a) was previously assumed or rejected by the Debtors, (b) previously expired or terminated pursuant to its own terms, (c) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date or (d) is set forth in a schedule, as an executory contract or unexpired lease to be rejected, if any, filed by the Debtors as part of the Plan Supplement. The Confirmation Order shall constitute an order of the Bankruptcy Court under Bankruptcy Code sections 365 and 1123(b) approving the contract and lease assumptions or rejections described above, as of the Effective Date.

Each executory contract and unexpired lease that is assumed and relates to the use, ability to acquire, or occupancy of real property shall include (a) all modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any

agreement, instrument or other document that in any manner affects such executory contract or unexpired lease and (b) all executory contracts or unexpired leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, usufructs, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises and any other interests in real estate or rights *in rem* related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

8.2 Cure of Defaults.

Any monetary amounts by which any executory contract and unexpired lease to be assumed hereunder is in default shall be satisfied, under Bankruptcy Code section 365(b)(1), by the Debtors upon assumption thereof or as soon as practicable thereafter. If there is a dispute regarding (a) the nature or amount of any cure, (b) the ability of the Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of Bankruptcy Code section 365) under the contract or lease to be assumed or (c) any other matter pertaining to assumption, any cure shall occur following the entry of a Final Order resolving the dispute and approving the assumption or assumption and assignment, as the case may be.

8.3 Rejection Claims.

All Claims arising out of the rejection of executory contracts and unexpired leases must be served upon the Debtors and their counsel within thirty (30) days after the date of entry of an order of the Bankruptcy Court approving such rejection. Any Claims not filed within such time shall be forever barred from assertion against the Debtors, their Estates, and their property.

8.4 Survival of the Debtors’ Indemnification Obligations.

Any obligations of the Debtors pursuant to their certificates of incorporation and bylaws or organizational documents, as applicable, or any other agreements entered into by any Debtors at any time prior to the Effective Date, to indemnify current and former directors, officers, agents, and/or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such directors, officers, agents, and/or employees, based upon any act or omission for or on behalf of the Debtors, irrespective of whether such indemnification is owed in connection with an event occurring before or after the Petition Date, shall not be discharged or impaired by confirmation of the Plan. For the avoidance of doubt, the indemnification obligations referred to in this Section 8.4 include the obligations provided for in Section 9.03 of the 2009 Credit Agreement, Section 7.07 of the PIK Notes Indenture, Section 7.07 of the Subordinated Notes Indenture, and Section 7.07 of the 2011 Notes Indenture. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtors hereunder and shall continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors’ obligations herein shall not be a Disputed Claim or subject to any objection in either case by reason of Bankruptcy Code section 502(e)(1)(B).

8.5 Survival of Management Agreements and Other Employment Arrangements.

Except and to the extent previously assumed by an order of the Bankruptcy Court, on or before the Confirmation Date, all Management Agreements entered into before or after the Petition Date and not since terminated shall be deemed to be, and shall be treated as if they were, executory contracts to be assumed pursuant to the Plan. In addition, except and to the extent previously assumed by an order of the Bankruptcy Court, on or before the Confirmation Date, all employee compensation and benefit plans (other than the existing incentive plans to be replaced by the Equity Incentive Plan) entered into before or after the Petition Date and not since terminated shall be deemed to be, and shall be treated as if they were, executory contracts to be assumed pursuant to the Plan. The Debtors' obligations under such plans and programs shall survive confirmation of the Plan, except for (a) executory contracts or employee benefit plans specifically rejected pursuant to the Plan (to the extent such rejection does not violate Bankruptcy Code sections 1114 and 1129(a)(13)) and (b) such executory contracts or employee benefit plans as have previously been rejected, are the subject of a motion to reject as of the Confirmation Date, or have been specifically waived by the beneficiaries of any employee benefit plan or contract.

8.6 Insurance Policies.

Except as set forth herein, all insurance policies pursuant to which the Debtors have any obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect. All other insurance policies shall re-vest in the Reorganized Debtors.

SECTION 9. CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

9.1 Conditions Precedent to the Effective Date.

The occurrence of the Effective Date of the Plan is subject to satisfaction of the following conditions precedent:

(a) Confirmation Order. The Confirmation Order shall have been entered in form and substance reasonably acceptable to the Debtors and the Committee (which consent shall not be unreasonably withheld or delayed) and shall be in full force and effect and there shall not be a stay or injunction (or similar prohibition) in effect with respect thereto.

(b) Execution and Delivery of Other Documents. All other actions and all agreements, instruments or other documents necessary to implement the Plan, including the New First Lien Indenture, the New Second Lien Indenture, the New Revolver Facility Credit Agreement and all other documents comprising the Plan Supplement and Plan Financing Supplement, all of which shall be in form and substance reasonably acceptable to the Debtors and the Committee (which consent shall not be unreasonably withheld or delayed), shall have been (i) effected or (ii) duly and validly executed and delivered by the parties thereto and all conditions to their effectiveness shall have been satisfied or waived.

(c) Regulatory Approvals. The Debtors shall have received all authorizations, consents, regulatory approvals, rulings, letters, no-action letters, opinions or documents necessary to implement the Plan and that are required by law, regulation, or order.

(d) Consents. All authorizations, consents and approvals determined by the Debtors to be necessary to implement the Plan shall have been obtained.

(e) Corporate Formalities. The Restated Certificate of Incorporation shall be filed with the Secretary of State of the State of Delaware contemporaneously with the Effective Date.

(f) Other Acts. Any other actions the Debtors determine are necessary to implement the terms of the Plan shall have been taken.

9.2 Waiver of Conditions Precedent.

Each of the conditions precedent in Section 9.1 hereof may be waived, in whole or in part, by the Debtors without notice or order of the Bankruptcy Court, with the consent of the Committee (which consent shall not be unreasonably withheld or delayed).

9.3 Effect of Failure of Conditions.

If the conditions specified in Section 9.1 hereof have not been satisfied or waived in the manner provided in Section 9.2 hereof by the date that is sixty (60) days after the Confirmation Date, then: (a) the Confirmation Order shall be of no further force or effect; (b) no distributions under the Plan shall be made; (c) the Debtors and all Holders of Claims and Interests in the Debtors shall be restored to the *status quo ante* as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred; (d) all of the Debtors' obligations with respect to the Claims and Interests shall remain unaffected by the Plan and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors; and (e) the Plan shall be deemed withdrawn.

SECTION 10. EFFECT OF CONFIRMATION

10.1 Vesting of Assets.

On the Effective Date, except as otherwise provided in the Plan, pursuant to Bankruptcy Code sections 1141(b) and (c), all property of the Debtors' Estates shall vest in the Reorganized Debtors free and clear of all Claims, liens, encumbrances, charges, and other interests. Except as otherwise provided in the Plan, each of the Debtors, as Reorganized Debtors, shall continue to exist on and after the Effective Date as a separate legal Entity with all of the powers available to such legal Entity under applicable law, without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law. On and after the Effective Date, the Reorganized Debtors shall be authorized to operate their respective businesses, and to use, acquire or dispose of assets, without supervision or

approval by the Bankruptcy Court and free from any restrictions of the Bankruptcy Code or the Bankruptcy Rules.

10.2 Binding Effect.

Except as otherwise provided in Bankruptcy Code section 1141(d)(3) and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of the Plan shall bind any Holder of a Claim against, or Interest in, the Debtors, and such Holder's respective successors and assigns, whether or not the Claim or Interest of such Holder is impaired under the Plan and whether or not such Holder has accepted the Plan.

10.3 Discharge of the Debtors.

Except to the extent otherwise provided in the Plan, the treatment of all Claims against or Interests in the Debtors under the Plan shall be in exchange for and in complete satisfaction, discharge and release of all Claims against or Interests in the Debtors of any nature whatsoever, known or unknown, including any interest accrued or expenses incurred thereon from and after the Petition Date, or against their Estate or properties or interests in property. Except as otherwise provided in the Plan, upon the Effective Date, all Claims against and Interests in the Debtors shall be satisfied, discharged and released in full exchange for the consideration provided under the Plan. Except as otherwise provided in the Plan, all Persons shall be precluded from asserting against the Debtors, or their respective properties or interests in property, any other Claims based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date. For the avoidance of doubt, Section 10.3 of the Plan shall not discharge any Claims that have been alleged or could be alleged in that certain litigation in the United States District Court for the Southern District of New York captioned Anderson News, LLC, et al. v. American Media, Inc., et al., Case No. 09-Civ.-2227 (PAC) and the appeal of the August 2, 2010 order dismissing such action, currently pending in the United States Court of Appeals for the Second Circuit (collectively, the "**Anderson Litigation**").

10.4 Exculpation.

Notwithstanding anything provided herein, as of the Effective Date, none of the Released Parties shall have or incur any liability for any claim, cause of action, or other assertion of liability for any act taken or omitted to be taken in connection with, or arising out of, the Chapter 11 Cases, the formulation, dissemination, confirmation, Consummation, or administration of the Plan, or property to be distributed under the Plan, or any other act or omission in connection with the Chapter 11 Cases, the Plan, or any contract, instrument, indenture, or other agreement or document related thereto or delivered thereunder; *provided, however*, that the foregoing shall be subject to a limited carve-out solely for gross negligence, willful misconduct, criminal acts and fraud.

Notwithstanding anything herein to the contrary, nothing in the foregoing "Exculpation" shall (1) exculpate any Person or Entity from any liability resulting from any act or omission constituting fraud, willful misconduct, gross negligence, criminal conduct, malpractice, misuse of confidential information that causes damages or ultra vires act as

determined by a Final Order or (2) limit the liability of the professionals of the Released Parties to their respective clients pursuant to N.Y. Comp. Codes R. & Regs. tit. 22 § 1200.8 Rule 1.8(h)(1) (2009).

10.5 Term of Injunctions or Stays.

(a) Except as otherwise expressly provided herein, all Persons who have held, hold or may hold Claims against or Interests in any Debtor are permanently enjoined, from and after the Effective Date, from (i) commencing or continuing in any manner any action or other proceeding of any kind on any such Claim or Interest against any Reorganized Debtor, (ii) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against any Reorganized Debtor with respect to any such Claim or Interest, (iii) creating, perfecting or enforcing any encumbrance of any kind against any Reorganized Debtor, or against the property or interests in property of any Reorganized Debtor, as applicable with respect to any such Claim or Interest, (iv) asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from any Reorganized Debtor, or against the property or interests in property of any Reorganized Debtor with respect to any such Claim or Interest, and (v) pursuing any Claim released pursuant to Sections 10.7 and 10.8. For the avoidance of doubt, Section 10.5(a) of the Plan shall not enjoin any Claims that have been alleged or could have been alleged in the Anderson Litigation.

(b) Unless otherwise provided, all injunctions or stays arising under or entered during the Chapter 11 Cases under Bankruptcy Code section 105 or 362, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.6 Injunction Against Interference with Plan.

Upon the entry of the Confirmation Order, all Holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors or principals, shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan.

10.7 Releases by the Debtors.

Pursuant to Bankruptcy Code section 1123(b) and to the extent permitted by applicable law, for good and valuable consideration, including the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the Released Parties are deemed released and discharged by the Debtors, the Reorganized Debtors and the Estates and their Affiliates from any and all Claims, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising

from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan and the Disclosure Statement, or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, provided, however, such releases shall not apply to (i) any act or omission that constitutes gross negligence, willful misconduct, breach of fiduciary duty, criminal acts or fraud, (ii) Claims that arise in the ordinary course of the Debtors' businesses, (iii) any Claims that have been alleged or could be alleged in connection with the Anderson Litigation and (iv) contractual obligations that are not otherwise being satisfied or discharged under the Plan (the "*Release Carve-Out*"). For the avoidance of doubt, none of the foregoing releases shall include releases of any claims, demands, causes of action and the like, in each case, solely to the extent these arise from or relate to acts or omissions occurring after the Effective Date.

10.8 Releases by the Holders of Claims and Interests.

To the extent permitted by applicable law, as of the Effective Date, each Holder of a Claim or an Interest shall be deemed to have conclusively, absolutely, unconditionally, irrevocably and forever, released and discharged the Debtors, the Reorganized Debtors, the Estates and their Affiliates and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Disclosure Statement, the Plan Supplement, the Plan Financing Supplement or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, provided, however, such releases shall be subject to the Release Carve-Out. Nothing in this Section 10.8 shall limit the liability of the professionals of the Released Parties to their respective clients pursuant to DR 6-102 of the Code of Professional Responsibility, N.Y. Comp. Codes R. & Regs. tit. 22 section 1120.8 Rule 1.8(h)(1) (2009), and any other statutes, rules or regulations dealing with professional conduct to which such professionals are subject. For the avoidance of doubt, none of the foregoing releases shall include releases of any claims, demands, causes of action and the like, in each case, solely to the extent these arise from or relate to acts or omissions occurring after the Effective Date.

Section 10.8 of the Plan provides for releases of certain Claims against non-Debtors in consideration of services provided to the estates and investments made by the non-Debtor Released Parties. The non-Debtor Released Parties are: (i) any direct or indirect shareholders of the Debtors, (ii) the current and former directors, officers, employees, professional advisors, sub-advisors, managers, affiliated management companies and managing and executive directors of the Debtors, (iii) members of the Committee, (iv) the Indenture Trustees, (v) the Term Facility Lenders, the Revolver Lenders, the Administrative Agent, the collateral agent and other agents under the 2009 Credit Agreement (vi) the New First Lien Notes Holders, the indenture trustee, the escrow agent and the collateral agent under the New First Lien Indenture, (vii) the New Second Lien Notes Holders, the indenture trustee, the escrow agent and the collateral agent under the New Second Lien Indenture, (viii) the New Revolver Facility Lenders and the New Revolver Facility administrative agent, (ix) the Backstop Parties, (x) the Holders of the New PIK Notes and the indenture trustee under the New PIK Notes, if any, (xi) the Holders of New Common Stock, and (xii) the Holders of the New Preferred Stock, if any, and (xiii) each of the respective directors, officers, partners, members, representatives, employees and professional advisors of those Persons in clauses (i) through (xii) (but in each case solely in their capacities as such). To the extent permitted by applicable law, the releases are given by the Debtors and all Holders of Claims and Interests against the Debtors. The released Claims are any and all Claims or causes of action, including without limitation those in connection with, related to, or arising out of the Chapter 11 Cases.

The United States Court of Appeals for the Second Circuit has determined that releases of non-Debtors may be approved as part of a chapter 11 plan of reorganization if there are “unusual circumstances” that render the release terms important to the success of the plan. *Deutsche Bank AG, London Branch v. Metromedia Fiber Network, Inc. (In re Metromedia Fiber Network, Inc.)*, 416 F.3d 136, 143 (2d Cir. 2005). Courts have approved releases of non-debtors when: (i) the estate received substantial consideration; (ii) the enjoined claims were channeled to a settlement fund rather than extinguished; (iii) the enjoined claims would indirectly impact the reorganization by way of indemnity or contribution; (iv) the plan otherwise provided for the full payment of the enjoined claims; and (v) the affected creditors consent to the release. *Id.* at 142.

Before a determination can be made as to whether releases are appropriate as warranted by “unusual circumstances,” the United States Court of Appeals for the Second Circuit has concluded that there is threshold jurisdictional inquiry as to whether the Bankruptcy Court has subject matter jurisdiction to grant such releases. *In re Johns-Manville Corp.*, 517 F.3d 52, 65 (2d Cir. 2008); *see also In re Dreier LLP*, 429 B.R. 112, 132 (Bankr. S.D.N.Y. 2010) (finding no jurisdiction to approve releases of claims that did not affect the estate); *In re Metcalf & Mansfield Alternative Investments*, 421 B.R. 685, 695 (Bankr. S.D.N.Y. 2010) (discussing and approving releases in a case under chapter 15 of the Bankruptcy Code). Courts have jurisdiction over a third party cause of action or claims if it will “directly and adversely impact the reorganization.” *Dreier*, 429 B.R. at 132. Conversely, the court may lack jurisdiction if the released claim is one that would “not affect the property of the estate or the administration of the estate.” *Id.* at 133. Here, all of the released Claims would “directly and adversely impact the reorganization” of the Debtors’ Estates. Each of the non-Debtor Released Parties would have a potential Claim for indemnification and contribution against the Debtors for any liabilities incurred on such Claims, as well as any expenses incurred to defend such claims. Because all Allowed General Unsecured Claims are being satisfied in full under the Plan, the Debtors would

have to satisfy indemnification and contribution claims in full. The ultimate effect of doing so would reduce the Debtors' distributable value and may reduce recoveries for the Debtors' creditors under the Plan. The Estates therefore would be directly and adversely impacted if the released Claims were pursued and the Bankruptcy Court has jurisdiction to approve them as part of the Plan.

The circumstances of the Chapter 11 Cases are unique and satisfy the *Metromedia* requirements. The Plan pays all Allowed General Unsecured Claims in full and provides substantial recoveries to the Debtors' funded debt obligations. The non-Debtor Released Parties have provided substantial consideration to the Estates and are instrumental to the Debtors' successful reorganization. The recipients of the releases would have potential Claims for indemnification against the Debtors and the Debtors believe that the releases are appropriate under the *Metromedia* decision and other case law.

10.9 Preservation of Claims.

Except as otherwise provided in the Plan, including Sections 10.6, 10.7 and 10.8, as of the Effective Date, pursuant to Bankruptcy Code section 1123(b)(3)(B), any action, cause of action, liability, obligation, right, suit, debt, sum of money, damage, judgment, claim and demand whatsoever, whether known or unknown, in law, equity or otherwise, accruing to the Debtors shall become assets of the Reorganized Debtors, and the Reorganized Debtors shall have the authority to commence and prosecute such causes of action for the benefit of the Estates of the Debtors. After the Effective Date, the Reorganized Debtors shall have the authority to compromise and settle, otherwise resolve, discontinue, abandon or dismiss all such causes of action without approval of the Bankruptcy Court.

10.10 Reservation of Rights.

The Plan shall have no force or effect unless and until the Effective Date. Prior to the Effective Date, none of the filing of the Plan, any statement or provision contained in the Plan, or action taken by the Debtors with respect to the Plan shall be, or shall be deemed to be, an admission or waiver of any rights of any Debtor or any other party with respect to any Claims or Interests or any other matter.

10.11 Plan Supplement.

A draft form of the Plan Supplement Documents to be entered into as of the Effective Date and any other appropriate documents shall be contained in the Plan Supplement and filed with the Clerk of the Bankruptcy Court five days prior to the Confirmation Hearing. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours.

10.12 Plan Financing Supplement

The Plan Financing Supplement will be filed with the Clerk of the Bankruptcy Court on the Petition Date, or as soon thereafter as is practicable. Upon its filing with the Bankruptcy Court, the Plan Financing Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours.

SECTION 11. RETENTION OF JURISDICTION

The Bankruptcy Court shall have exclusive jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Cases and the Plan for, among other things, the following purposes:

(a) To hear and determine applications, if any, for the assumption or rejection of executory contracts or unexpired leases and the allowance of Claims resulting therefrom.

(b) To determine any and all motions, adversary proceedings, applications, contested matters, or other litigated matters pending on the Effective Date.

(c) To ensure that distributions to Holders of Allowed Claims are accomplished as provided herein.

(d) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated.

(e) To issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the Consummation, implementation or enforcement of the Plan, the Confirmation Order or any other order of the Bankruptcy Court.

(f) To hear and determine any timely objections to Administrative Expense Claims or to proofs of claim or interests, including any objections to the classification of any Claim or Interest, and to allow or disallow any Disputed Claim, in whole or in part.

(g) To consider any amendments to or modifications of the Plan, or remedy any defect or omission or reconcile any inconsistency in any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof.

(h) To hear and determine all applications of retained professionals under Bankruptcy Code sections 330, 331, and 503(b) for awards of compensation for services rendered and reimbursement of expenses incurred prior to the Effective Date.

(i) To hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, the Confirmation Order, the documents comprising the Plan Supplement, the documents comprising the Plan Financing Supplement, any transactions or payments contemplated hereby or any agreement, instrument, or other document governing or relating to any of the foregoing, other than any agreements entered into solely by non-Debtor Entities.

(j) To issue such orders as may be necessary to construe, enforce, implement, execute, and consummate the Plan or to maintain the integrity of the Plan following Consummation.

(k) To determine such other matters and for such other purposes as may be provided in the Confirmation Order.

(l) To hear and determine matters concerning state, local, and federal taxes in accordance with Bankruptcy Code sections 346, 505, and 1146 (including any requests for expedited determinations under Bankruptcy Code section 505(b)).

(m) To hear and determine all disputes involving the existence, scope and nature of the discharges granted under Section 10.3.

(n) To hear and determine all disputes involving or in any manner implicating the exculpation provisions granted under Section 10.4.

(o) To hear and determine any other matters related hereto and not inconsistent with the Bankruptcy Code and title 28 of the United States Code.

(p) To enter a final decree closing the Chapter 11 Cases.

(q) To recover all assets of the Debtors and property of the Debtors' Estates, wherever located.

SECTION 12. MISCELLANEOUS PROVISIONS

12.1 Payment of Statutory Fees.

On the Effective Date, and thereafter as may be required, the Debtors shall pay all fees payable pursuant to section 1930 of chapter 123 of title 28 of the United States Code. Notwithstanding Section 5.1 above, the Debtors shall pay all of the foregoing fees on a per-Debtor basis.

12.2 Payment of Indenture Trustee Fees.

Notwithstanding any provision contained in the Plan to the contrary, the Reorganized Debtors shall pay all reasonable fees, costs and expenses incurred by the Indenture Trustees (and their agents, attorneys and professionals) whether or not incurred prior to, on or after the Effective Date, including but not limited to fees, costs and expenses incurred in connection with the distributions required pursuant to the Plan and the implementation of any provision of the Plan, in Cash, within 10 days of the presentation of invoices by an Indenture Trustee, without the need for application to, or approval by, the Bankruptcy Court. Nothing contained in this Plan or the Confirmation Order shall be deemed to impair, waive, extinguish or negatively impact any lien, charging lien or other priority in payment to which the Indenture Trustees are entitled under the applicable Indentures. In addition, for the avoidance of doubt, payments pursuant to this Section 12.2 shall be made by the Debtors or the Reorganized Debtors, as applicable, and shall not be deducted from distributions to be made pursuant to the Plan to Holders of Allowed Claims receiving distributions from the Indenture Trustees as Disbursement Agents.

In the event that the Reorganized Debtors are unable to resolve a dispute with respect to the payment of reasonable fees, costs and expenses incurred by the Indenture Trustees, any such disputed amount shall be subject to the jurisdiction of the Bankruptcy Court only with respect to the reasonableness standard as provided under the applicable Indenture and not subject to the requirements of Bankruptcy Code sections 503(b)(3) or (4). In the event that the Reorganized Debtors and the applicable Indenture Trustee are unable to resolve a dispute with respect to an Indenture Trustee fee Claim, the applicable Indenture Trustee may, in its sole discretion, elect to (i) submit any such dispute to the Bankruptcy Court for resolution or (ii) assert any other remedies it is entitled to assert under the applicable Indenture or applicable law, including, without limitation, asserting its charging lien and holding back disputed amounts from distribution, to obtain payment of such disputed Indenture Trustee fee Claim.

12.3 Dissolution of Statutory Committees and Cessation of Fee and Expense Payment.

Any statutory committees appointed in the Chapter 11 Cases shall dissolve on the Effective Date. Provided that all such fees and expenses payable as of the Effective Date have been paid in full, the Reorganized Debtors shall not be responsible for paying any fees and expenses incurred after the Effective Date by the Committee's professionals, and the professionals retained by any statutory committees.

12.4 Substantial Consummation.

On the Effective Date, the Plan shall be deemed to be substantially consummated under Bankruptcy Code sections 1101 and 1127(b).

12.5 Determination of Tax Filings and Taxes.

The Reorganized Debtors shall have the right to request an expedited determination of their tax liability, if any, under Bankruptcy Code section 505(b) with respect to any tax returns filed, or to be filed, for any and all taxable periods ending after the Petition Date through the Effective Date.

12.6 Amendments.

Subject to Bankruptcy Code section 1127 and, to the extent applicable, Bankruptcy Code sections 1122, 1123 and 1125, alterations, amendments or modifications of the Plan may be proposed in writing by the Debtors (with the prior written consent of the Committee, which consent shall not be unreasonably withheld or delayed) at any time prior to or after the Confirmation Date, but prior to the Effective Date. Holders of Claims that have accepted the Plan shall be deemed to have accepted the Plan, as altered, amended or modified, if the proposed alteration, amendment or modification complies with the requirements of this Section 12.6 and does not materially and adversely change the treatment of the Claim of such Holder; *provided, however*, that any Holders of Claims who were deemed to accept the Plan because such Claims were unimpaired shall continue to be deemed to accept the Plan only if, after giving effect to such amendment or modification, such Claims continue to be unimpaired.

12.7 Effectuating Documents and Further Transactions.

SECTION 5. MEANS FOR IMPLEMENTATION

5.1 Substantive Consolidation of Debtors for Plan Purposes Only.

The Plan is premised upon the substantive consolidation of the Debtors for purposes of the Plan only. Unless otherwise set forth herein, such substantive consolidation shall not (other than for voting, treatment, and distribution purposes under the Plan) affect (i) the legal and corporate structures of the Debtors (including the corporate ownership of the Debtor Subsidiaries), (ii) any Intercompany Claims, or (iii) the substantive rights of any creditor. On the Petition Date, or as soon as practicable thereafter, the Debtors will file a motion (the “**Escrow Motion**”) requesting an order from the Bankruptcy Court finding that New LLC and the Escrow Issuer are non-Debtor entities and that any proceeds of the New First Lien Notes Offering and the New Second Lien Notes Offering or other assets held by New LLC and Escrow Issuer will not be deemed property of the Debtors’ Estates and will not be consolidated with the Debtors’ assets or Estates. In addition, the Debtors will request Bankruptcy Court approval for authority to transfer approximately \$15 million into escrow or to the Escrow Issuer to pay fees, including fees payable to the indenture trustees, the collateral agents and the escrow agents with respect to the New First Lien Notes and the New Second Lien Notes, interest and other amounts associated with (y) the New First Lien Financing and (z) the New Second Lien Financing, ~~to the extent the New Second Lien Notes are issued to third-party investors for Cash.~~ Upon Bankruptcy Court approval of the Escrow Motion, the Escrow Issuer will (i) enter into related escrow agreements, pursuant to which the proceeds of the New First Lien Notes Offering, that portion of the New Second Lien Financing provided by third-party investors (if any) and other amounts relating to other payment obligations in respect of the New First Lien Financing and New Second Lien Financing will be held pending consummation of the Plan; (ii) grant a lien for the benefit of the New First Lien Holders on the proceeds from the New First Lien Notes Offering and all other assets in the applicable escrow account; and (iii) grant a lien for the benefit of the New Second Lien Holders on the proceeds from the New Second Lien Notes Offering (if any) who purchased their New Second Lien Notes for Cash and all other assets in the applicable escrow account. Holders of Allowed Term Facility Claims ~~other than the Backstop Parties~~ may elect to have the Backstop Parties purchase their *pro rata* share of the New Second Lien Notes for the face amount of such New Second Lien Notes pursuant to an election form that, subject to Bankruptcy Court approval, will be distributed to such Holders no later than 10 days after the Petition Date. Any Holder of an Allowed Term Facility Claim electing to have the Backstop Parties purchase their share of the New Second Lien Notes must do so by noting its election on such Holder's supplemental election form and returning same to the Debtors by no later than 10 Business Days after the date the election form is distributed (or such later date that has been agreed to by the Debtors). The mechanism by which electing Holders of Allowed Term Facility Claims will exercise their put option to ensure that such Holders will obtain Cash in exchange for their allocation of New Second Lien Notes will be set forth in the supplemental election form. Consummation of the purchase of such New Second Lien Notes shall occur on the Effective Date. If one or more Term Facility Lenders exercises its option to put its *pro rata* allocation of New Second Lien Notes to the Backstop Parties, the Backstop Parties shall receive from the Debtors a fee equal to 5% of the aggregate principal amount of New Second Lien Notes issued or put to the Backstop Parties by the Term Facility Lenders, which fee shall be payable in Cash.

In addition, on the Effective Date, each Backstop Party shall be entitled to such additional fully-paid and non-assessable shares of New Common Stock (collectively, the “**Additional Shares**” and, together with the Initial Shares, the “**Backstop Shares**”) as are required so that its Initial Percentage Ownership shall not be diluted by the issuance of the Initial Shares. The issuance of Backstop Shares to the Backstop Parties shall be subject to dilution by the Equity Incentive Plan. The Backstop Agreement provides for the

execution of a registration rights agreement, on commercially reasonable terms to be mutually agreed upon, to be entered into between the Reorganized Debtors and the Backstop Parties.

5.5 Issuance of New Common Stock and New Preferred Stock, if Applicable.

The issuance of New Common Stock and the New Preferred Stock (if applicable) by Reorganized AMI shall be authorized without the need for any further corporate action. On the Effective Date, creditors, directors, officers and consultants who receive New Common Stock pursuant to the Plan will be deemed to become parties to the Stockholders Agreement as a result of the distribution they receive under the Plan. Upon delivery of the distribution set forth in Sections 4.5(b), 4.6(b) and 4.7(b) to, or at the direction of, the Indenture Trustees, the Reorganized Debtors shall be released of all liability with respect to the delivery of such distributions. The Indenture Trustees shall not be required to give any bond, surety or other security for the performance of its duties with respect to its administration of distributions.

The applicable Indenture Trustee acting as Disbursement Agent shall only be required to act and make distributions in accordance with the terms of the Plan and shall have no (A) liability (other than gross negligence and willful misconduct) for actions taken in accordance with the Plan or in reliance upon information provided to it in accordance with the Plan or (B) obligation or liability for distributions under the Plan to any party who does not hold a Claim against the Debtors as of the Distribution Record Date or who does not otherwise comply with the terms of the Plan.

If the record holder of a Subordinated Note, PIK Note or 2011 Note is DTC or its nominee or such other securities depository or custodian thereof or is held in book entry or electronic form pursuant to a global security held by DTC, then the beneficial holder of such a Note Claim shall be deemed to have surrendered such holder's security, note, debenture or other

evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof.

Notwithstanding any provision contained in the Plan to the contrary, unless otherwise agreed to by the Indenture Trustees and the Debtors, all reasonable, actual and documented fees and expenses incurred by the applicable Indenture Trustee in connection with distributions made pursuant to this Plan, shall be paid in Cash by the Reorganized Debtors within 10 days of the presentation of invoices by each Indenture Trustee and without the need for application to, or approval by, any Court.

6.10 Manner of Payment Under Plan.

(a) All distributions of New Second Lien Notes to the Holders of Claims under the Plan shall be made by, or at the direction of, the applicable Disbursement Agent on behalf of Reorganized ~~AMO~~AMI.

(b) All distributions of New Common Stock to the Holders of Claims and the Backstop Parties under the Plan shall be made by the Disbursement Agent on behalf of Reorganized AMI.

(c) All distributions of New Common Stock to employees, directors and consultants made on account of the Equity Incentive Plan shall be made by Reorganized AMI.

(d) All distributions of New Preferred Stock, if any, to Holders of Claims under the Plan shall be made by the Disbursement Agent on behalf of Reorganized AMI.

(e) All distributions of Cash under the Plan shall be made by the applicable Disbursement Agent on behalf of the applicable Debtor.

(f) At the option of the applicable Disbursement Agent, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements.

6.11 No Fractional Shares of New Common Stock or New Preferred Stock, if Any.

No fractional shares of New Common Stock or New Preferred Stock, if any, shall be issued or distributed under the Plan, and no Cash shall be distributed in lieu of such fractional shares. When any distribution pursuant to the Plan would otherwise result in the issuance of a number of shares of New Common Stock or New Preferred Stock, if any, that is not a whole number, the actual distribution of shares of New Common Stock or New Preferred Stock, if any, shall be rounded as follows: (a) fractions of one-half (1/2) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half (1/2) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Stock or New Preferred Stock, if any, to be distributed pursuant to the Plan shall be adjusted as necessary to account for the foregoing rounding.

6.12 Setoffs and Recoupment.

The Debtors and the Reorganized Debtors may, but shall not be required to, setoff against any Claim (for purposes of determining the Allowed amount of such Claim on which distribution shall be made) any claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the Holder of such Claim, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claim the Debtors or the Reorganized Debtors may have against the Holder of such Claim.

6.13 Distributions After Effective Date.

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

6.14 Cash Distributions.

No payment of Cash of less than \$100 shall be made to any holder of an Allowed Claim unless a request therefor is made in writing to the appropriate Disbursement Agent.

6.15 Allocation of Distributions Between Principal and Interest.

In the case of distributions with respect to any Notes Claim pursuant to this Plan, the fair market value of any distribution received by the Holder of such Notes Claim will be allocable first to the principal amount of such Notes Claim (as determined for federal income tax purposes) and then, to the extent of any excess, the remainder of the Notes Claim.

6.16 No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or as required by applicable bankruptcy law, postpetition interest shall not accrue on or after the Petition Date on account of any Claim.

SECTION 7. PROCEDURES FOR DISPUTED CLAIMS

7.1 Disputed Claims/Process.

On and after the Effective Date, except as otherwise provided herein, all Claims will be paid in the ordinary course of business of the Reorganized Debtors. Except insofar as a Claim is Allowed pursuant to the Plan, the Debtors may dispute Claims, and if the Debtors dispute any Claim, such dispute shall be determined, resolved or adjudicated, as the case may be, in a manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced. Notwithstanding Bankruptcy Code section 502(a), and considering the unimpaired treatment of all holders of General Unsecured Claims under this Plan, all proofs of claim filed in these Chapter 11 Cases shall be considered objected to and disputed without further action by the Debtors. Upon the Effective Date, all proofs of claim filed against the Debtors, regardless of the time of filing, and including claims

filed after the Effective Date, shall be deemed withdrawn. The deemed withdrawal of all proofs of claim is without prejudice to each claimant's rights under this Section 7.1 to assert their claims in any forum as though the Chapter 11 Cases had not been commenced.

7.2 Objections to Claims.

Except insofar as a Claim is Allowed under the Plan and notwithstanding Section 7.1 above, the Debtors, the Reorganized Debtors or any other party in interest shall be entitled to object to Claims, if necessary.

7.3 Estimation of Claims.

The Debtors and the Reorganized Debtors may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to Bankruptcy Code section 502(c), regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation, and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

7.4 No Distributions Pending Allowance.

Notwithstanding any provision otherwise in the Plan: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order and (b) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order and the Claim has been Allowed.

7.5 Distributions After Allowance.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursement Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required under applicable bankruptcy law.

7.6 Preservation of Claims and Rights to Settle Claims.

Except as otherwise provided herein, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan, in accordance with Bankruptcy Code section 1123(b), the Reorganized Debtors shall retain and may enforce, sue on, settle or compromise (or decline to do any of the foregoing) all claims, rights, causes of action, suits and proceedings, whether in law or in equity, whether known or unknown, that the Debtors or their Estates may hold against any Person, without the approval of the Bankruptcy Court, subject to the terms of Section 7.2 hereof, the Confirmation Order, and any contract, instrument, release, indenture, or other agreement entered into in connection herewith. The Reorganized Debtors or their successor(s) may pursue such retained claims, rights, causes of action, suits or proceedings, as appropriate, in accordance with the best interests of the Reorganized Debtors or their successor(s) who hold such rights.

SECTION 8. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1 Assumption and Rejection of Contracts and Leases.

Except as otherwise provided herein, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan, as of the Effective Date, the Debtors shall be deemed to have assumed each executory contract and unexpired lease to which they are a party, unless such contract or lease (a) was previously assumed or rejected by the Debtors, (b) previously expired or terminated pursuant to its own terms, (c) is the subject of a motion to reject filed by the Debtors on or before the Confirmation Date or (d) is set forth in a schedule, as an executory contract or unexpired lease to be rejected, if any, filed by the Debtors as part of the Plan Supplement. The Confirmation Order shall constitute an order of the Bankruptcy Court under Bankruptcy Code sections 365 and 1123(b) approving the contract and lease assumptions or rejections described above, as of the Effective Date.

Each executory contract and unexpired lease that is assumed and relates to the use, ability to acquire, or occupancy of real property shall include (a) all modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such executory contract or unexpired lease and (b) all executory contracts or unexpired leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, usufructs, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises and any other interests in real estate or rights *in rem* related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

8.2 Cure of Defaults.

Any monetary amounts by which any executory contract and unexpired lease to be assumed hereunder is in default shall be satisfied, under Bankruptcy Code section 365(b)(1), by the Debtors upon assumption thereof or as soon as practicable thereafter. If there is a dispute regarding (a) the nature or amount of any cure, (b) the ability of the Debtors or any assignee to

provide “adequate assurance of future performance” (within the meaning of Bankruptcy Code section 365) under the contract or lease to be assumed or (c) any other matter pertaining to assumption, any cure shall occur following the entry of a Final Order resolving the dispute and approving the assumption or assumption and assignment, as the case may be.

8.3 Rejection Claims.

All Claims arising out of the rejection of executory contracts and unexpired leases must be served upon the Debtors and their counsel within thirty (30) days after the date of entry of an order of the Bankruptcy Court approving such rejection. Any Claims not filed within such time shall be forever barred from assertion against the Debtors, their Estates, and their property.

8.4 Survival of the Debtors’ Indemnification Obligations.

Any obligations of the Debtors pursuant to their certificates of incorporation and bylaws or organizational documents, as applicable, or any other agreements entered into by any Debtors at any time prior to the Effective Date, to indemnify current and former directors, officers, agents, and/or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such directors, officers, agents, and/or employees, based upon any act or omission for or on behalf of the Debtors, irrespective of whether such indemnification is owed in connection with an event occurring before or after the Petition Date, shall not be discharged or impaired by confirmation of the Plan. ~~Such~~For the avoidance of doubt, the indemnification obligations referred to in this Section 8.4 include the obligations provided for in Section 9.03 of the 2009 Credit Agreement, Section 7.07 of the PIK Notes Indenture, Section 7.07 of the Subordinated Notes Indenture, and Section 7.07 of the 2011 Notes Indenture. All ~~such~~ obligations shall be deemed and treated as executory contracts to be assumed by the Debtors hereunder and shall continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors’ obligations herein shall not be a Disputed Claim or subject to any objection in either case by reason of Bankruptcy Code section 502(e)(1)(B).

8.5 Survival of Management Agreements and Other Employment Arrangements.

Except and to the extent previously assumed by an order of the Bankruptcy Court, on or before the Confirmation Date, all Management Agreements entered into before or after the Petition Date and not since terminated shall be deemed to be, and shall be treated as if they were, executory contracts to be assumed pursuant to the Plan. In addition, except and to the extent previously assumed by an order of the Bankruptcy Court, on or before the Confirmation Date, all employee compensation and benefit plans (other than the existing incentive plans to be replaced by the Equity Incentive Plan) entered into before or after the Petition Date and not since terminated shall be deemed to be, and shall be treated as if they were, executory contracts to be assumed pursuant to the Plan. The Debtors’ obligations under such plans and programs shall survive confirmation of the Plan, except for (a) executory contracts or employee benefit plans specifically rejected pursuant to the Plan (to the extent such rejection does not violate Bankruptcy Code sections 1114 and 1129(a)(13)) and (b) such executory contracts or employee benefit plans as have previously been rejected, are the subject of a motion to reject as of the Confirmation

Date, or have been specifically waived by the beneficiaries of any employee benefit plan or contract.

8.6 Insurance Policies.

Except as set forth herein, all insurance policies pursuant to which the Debtors have any obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect. All other insurance policies shall re-vest in the Reorganized Debtors.

SECTION 9. CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

9.1 Conditions Precedent to the Effective Date.

The occurrence of the Effective Date of the Plan is subject to satisfaction of the following conditions precedent:

(a) Confirmation Order. The Confirmation Order shall have been entered in form and substance reasonably acceptable to the Debtors and the Committee (which consent shall not be unreasonably withheld or delayed) and shall be in full force and effect and there shall not be a stay or injunction (or similar prohibition) in effect with respect thereto.

(b) Execution and Delivery of Other Documents. All other actions and all agreements, instruments or other documents necessary to implement the Plan, including the New First Lien Indenture, the New Second Lien Indenture, the New Revolver Facility Credit Agreement and all other documents comprising the Plan Supplement and Plan Financing Supplement, all of which shall be in form and substance reasonably acceptable to the Debtors and the Committee (which consent shall not be unreasonably withheld or delayed), shall have been (i) effected or (ii) duly and validly executed and delivered by the parties thereto and all conditions to their effectiveness shall have been satisfied or waived.

(c) Regulatory Approvals. The Debtors shall have received all authorizations, consents, regulatory approvals, rulings, letters, no-action letters, opinions or documents necessary to implement the Plan and that are required by law, regulation, or order.

(d) Consents. All authorizations, consents and approvals determined by the Debtors to be necessary to implement the Plan shall have been obtained.

(e) Corporate Formalities. The Restated Certificate of Incorporation shall be filed with the Secretary of State of the State of Delaware contemporaneously with the Effective Date.

(f) Other Acts. Any other actions the Debtors determine are necessary to implement the terms of the Plan shall have been taken.

9.2 Waiver of Conditions Precedent.

Each of the conditions precedent in Section 9.1 hereof may be waived, in whole or in part, by the Debtors without notice or order of the Bankruptcy Court, with the consent of the Committee (which consent shall not be unreasonably withheld or delayed).

9.3 Effect of Failure of Conditions.

If the conditions specified in Section 9.1 hereof have not been satisfied or waived in the manner provided in Section 9.2 hereof by the date that is sixty (60) days after the Confirmation Date, then: (a) the Confirmation Order shall be of no further force or effect; (b) no distributions under the Plan shall be made; (c) the Debtors and all Holders of Claims and Interests in the Debtors shall be restored to the *status quo ante* as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred; (d) all of the Debtors' obligations with respect to the Claims and Interests shall remain unaffected by the Plan and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors; and (e) the Plan shall be deemed withdrawn.

SECTION 10. EFFECT OF CONFIRMATION

10.1 Vesting of Assets.

On the Effective Date, except as otherwise provided in the Plan, pursuant to Bankruptcy Code sections 1141(b) and (c), all property of the Debtors' Estates shall vest in the Reorganized Debtors free and clear of all Claims, liens, encumbrances, charges, and other interests. Except as otherwise provided in the Plan, each of the Debtors, as Reorganized Debtors, shall continue to exist on and after the Effective Date as a separate legal Entity with all of the powers available to such legal Entity under applicable law, without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law. On and after the Effective Date, the Reorganized Debtors shall be authorized to operate their respective businesses, and to use, acquire or dispose of assets, without supervision or approval by the Bankruptcy Court and free from any restrictions of the Bankruptcy Code or the Bankruptcy Rules.

10.2 Binding Effect.

Except as otherwise provided in Bankruptcy Code section 1141(d)(3) and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of the Plan shall bind any Holder of a Claim against, or Interest in, the Debtors, and such Holder's respective successors and assigns, whether or not the Claim or Interest of such Holder is impaired under the Plan and whether or not such Holder has accepted the Plan.

10.3 Discharge of the Debtors.

Except to the extent otherwise provided in the Plan, the treatment of all Claims against or Interests in the Debtors under the Plan shall be in exchange for and in complete satisfaction, discharge and release of all Claims against or Interests in the Debtors of any nature whatsoever, known or unknown, including any interest accrued or expenses incurred thereon from and after the Petition Date, or against their Estate or properties or interests in property. Except as otherwise provided in the Plan, upon the Effective Date, all Claims against and Interests in the Debtors shall be satisfied, discharged and released in full exchange for the consideration provided under the Plan. Except as otherwise provided in the Plan, all Persons shall be precluded from asserting against the Debtors, or their respective properties or interests in property, any other Claims based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date. For the avoidance of doubt, Section 10.3 of the Plan shall not discharge any Claims that have been alleged or could be alleged in that certain litigation in the United States District Court for the Southern District of New York captioned Anderson News, LLC, et al. v. American Media, Inc., et al., Case No. 09-Civ.-2227 (PAC) and the appeal of the August 2, 2010 order dismissing such action, currently pending in the United States Court of Appeals for the Second Circuit (collectively, the “Anderson Litigation”).

10.4 Exculpation.

Notwithstanding anything provided herein, as of the Effective Date, none of the Released Parties shall have or incur any liability for any claim, cause of action, or other assertion of liability for any act taken or omitted to be taken in connection with, or arising out of, the Chapter 11 Cases, the formulation, dissemination, confirmation, Consummation, or administration of the Plan, or property to be distributed under the Plan, or any other act or omission in connection with the Chapter 11 Cases, the Plan, or any contract, instrument, indenture, or other agreement or document related thereto or delivered thereunder; *provided, however*, that the foregoing shall be subject to a limited carve-out solely for gross negligence, willful misconduct, criminal acts and fraud.

Notwithstanding anything herein to the contrary, nothing in the foregoing “Exculpation” shall (1) exculpate any Person or Entity from any liability resulting from any act or omission constituting fraud, willful misconduct, gross negligence, criminal conduct, malpractice, misuse of confidential information that causes damages or ultra vires act as determined by a Final Order or (2) limit the liability of the professionals of the Released Parties to their respective clients pursuant to N.Y. Comp. Codes R. & Regs. tit. 22 § 1200.8 Rule 1.8(h)(1) (2009).

10.5 Term of Injunctions or Stays.

(a) Except as otherwise expressly provided herein, all Persons who have held, hold or may hold Claims against or Interests in any Debtor are permanently enjoined, from and after the Effective Date, from (i) commencing or continuing in any manner any action or other proceeding of any kind on any such Claim or Interest against any Reorganized Debtor, (ii) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against any Reorganized Debtor with respect to any such Claim or

Interest, (iii) creating, perfecting or enforcing any encumbrance of any kind against any Reorganized Debtor, or against the property or interests in property of any Reorganized Debtor, as applicable with respect to any such Claim or Interest, (iv) asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from any Reorganized Debtor, or against the property or interests in property of any Reorganized Debtor with respect to any such Claim or Interest, and (v) pursuing any Claim released pursuant to Sections 10.7 and 10.8. For the avoidance of doubt, Section 10.5(a) of the Plan shall not enjoin any Claims that have been alleged or could have been alleged in the Anderson Litigation.

(b) Unless otherwise provided, all injunctions or stays arising under or entered during the Chapter 11 Cases under Bankruptcy Code section 105 or 362, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.6 Injunction Against Interference with Plan.

Upon the entry of the Confirmation Order, all Holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors or principals, shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan.

10.7 Releases by the Debtors.

Pursuant to Bankruptcy Code section 1123(b) and to the extent permitted by applicable law, for good and valuable consideration, including the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the Released Parties are deemed released and discharged by the Debtors, the Reorganized Debtors and the Estates and their Affiliates from any and all Claims, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan and the Disclosure Statement, or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, provided, however, such releases shall not apply to (i) any act or omission that constitutes gross negligence, willful misconduct, breach of fiduciary duty, criminal acts or fraud ~~and~~, (ii) Claims that arise in the ordinary course of the Debtors' businesses ~~and~~, (iii) any Claims that have been alleged or could be alleged in connection

with the Anderson Litigation and (iv) contractual obligations that are not otherwise being satisfied or discharged under the Plan (the “*Release Carve-Out*”). For the avoidance of doubt, none of the foregoing releases shall include releases of any claims, demands, causes of action and the like, in each case, solely to the extent these arise from or relate to acts or omissions occurring after the Effective Date ~~or which arise under the Plan.~~

10.8 Releases by the Holders of Claims and Interests.

To the extent permitted by applicable law, as of the Effective Date, each Holder of a Claim or an Interest shall be deemed to have conclusively, absolutely, unconditionally, irrevocably and forever, released and discharged the Debtors, the Reorganized Debtors, the Estates and their Affiliates and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors’ restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Disclosure Statement, the Plan Supplement, the Plan Financing Supplement or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, provided, however, such releases shall be subject to the Release Carve-Out. Nothing in this Section 10.8 shall limit the liability of the professionals of the Released Parties to their respective clients pursuant to DR 6-102 of the Code of Professional Responsibility, N.Y. Comp. Codes R. & Regs. tit. 22 section 1120.8 Rule 1.8(h)(1) (2009), and any other statutes, rules or regulations dealing with professional conduct to which such professionals are subject. For the avoidance of doubt, none of the foregoing releases shall include releases of any claims, demands, causes of action and the like, in each case, solely to the extent these arise from or relate to acts or omissions occurring after the Effective Date ~~or which arise under the Plan.~~

Section 10.8 of the Plan provides for releases of certain Claims against non-Debtors in consideration of services provided to the Estates and investments made by the non-Debtor Released Parties. The non-Debtor Released Parties are: (i) any direct or indirect shareholders of the Debtors, (ii) the current and former directors, officers, employees, professional advisors, sub-advisors, managers, affiliated management companies and managing and executive directors of the Debtors, (iii) members of the Committee, (iv) the Indenture Trustees, (v) the Term Facility Lenders, the Revolver Lenders, the Administrative Agent, the collateral agent and other agents under the 2009 Credit Agreement (vi) the New First Lien Notes Holders, the indenture trustee, the escrow agent and the collateral agent under the New First Lien Indenture, (vii) the New Second Lien Notes Holders, the indenture trustee, the escrow agent and the collateral agent under the New Second Lien Indenture, (viii) the New Revolver Facility

Lenders and the New Revolver Facility administrative agent, (ix) the Backstop Parties, (x) the Holders of the New PIK Notes and the indenture trustee under the New PIK Notes, if any, (xi) the Holders of New Common Stock, and (xii) the Holders of the New Preferred Stock, if any, and (xiii) each of the respective directors, officers, partners, members, representatives, employees and professional advisors of those Persons in clauses (i) through (xii) (but in each case solely in their capacities as such). To the extent permitted by applicable law, the releases are given by the Debtors and all Holders of Claims and Interests against the Debtors. The released Claims are any and all Claims or causes of action, including without limitation those in connection with, related to, or arising out of the Chapter 11 Cases.

The United States Court of Appeals for the Second Circuit has determined that releases of non-Debtors may be approved as part of a chapter 11 plan of reorganization if there are “unusual circumstances” that render the release terms important to the success of the plan. *Deutsche Bank AG, London Branch v. Metromedia Fiber Network, Inc. (In re Metromedia Fiber Network, Inc.)*, 416 F.3d 136, 143 (2d Cir. 2005). Courts have approved releases of non-debtors when: (i) the estate received substantial consideration; (ii) the enjoined claims were channeled to a settlement fund rather than extinguished; (iii) the enjoined claims would indirectly impact the reorganization by way of indemnity or contribution; (iv) the plan otherwise provided for the full payment of the enjoined claims; and (v) the affected creditors consent to the release. *Id.* at 142.

Before a determination can be made as to whether releases are appropriate as warranted by “unusual circumstances,” the United States Court of Appeals for the Second Circuit has concluded that there is a threshold jurisdictional inquiry as to whether the Bankruptcy Court has subject matter jurisdiction to grant such releases. *In re Johns-Manville Corp.*, 517 F.3d 52, 65 (2d Cir. 2008); *see also In re Dreier LLP*, 429 B.R. 112, 132 (Bankr. S.D.N.Y. 2010) (finding no jurisdiction to approve releases of claims that did not affect the estate); *In re Metcalf & Mansfield Alternative Investments*, 421 B.R. 685, 695 (Bankr. S.D.N.Y. 2010) (discussing and approving releases in a case under chapter 15 of the Bankruptcy Code). Courts have jurisdiction over a third party cause of action or claims if it will “directly and adversely impact the reorganization.” *Dreier*, 429 B.R. at 132. Conversely, the court may lack jurisdiction if the released claim is one that would “not affect the property of the estate or the administration of the estate.” *Id.* at 133. Here, all of the released Claims would “directly and adversely impact the reorganization” of the Debtors’ Estates. Each of the non-Debtor Released Parties would have a potential Claim for indemnification and contribution against the Debtors for any liabilities incurred on such Claims, as well as any expenses incurred to defend such claims. Because all Allowed General Unsecured Claims are being satisfied in full under the Plan, the Debtors would have to satisfy indemnification and contribution claims in full. The ultimate effect of doing so would reduce the Debtors’ distributable value and may reduce recoveries for the Debtors’ creditors under the Plan. The Estates therefore would be directly and adversely impacted if the released Claims were pursued and the Bankruptcy Court has jurisdiction to approve them as part of the Plan.

The circumstances of the Chapter 11 Cases are unique and satisfy the *Metromedia* requirements. The Plan pays all Allowed General Unsecured Claims in full and provides substantial recoveries to the Debtors’ funded debt obligations. The non-Debtor Released Parties have provided substantial consideration to the Estates and are instrumental to the Debtors’ successful reorganization. The recipients of the releases would have potential Claims for

indemnification against the Debtors and the Debtors believe that the releases are appropriate under the *Metromedia* decision and other case law.

10.9 Preservation of Claims.

Except as otherwise provided in the Plan, including Sections 10.6, 10.7 and 10.8, as of the Effective Date, pursuant to Bankruptcy Code section 1123(b)(3)(B), any action, cause of action, liability, obligation, right, suit, debt, sum of money, damage, judgment, claim and demand whatsoever, whether known or unknown, in law, equity or otherwise, accruing to the Debtors shall become assets of the Reorganized Debtors, and the Reorganized Debtors shall have the authority to commence and prosecute such causes of action for the benefit of the Estates of the Debtors. After the Effective Date, the Reorganized Debtors shall have the authority to compromise and settle, otherwise resolve, discontinue, abandon or dismiss all such causes of action without approval of the Bankruptcy Court.

10.10 Reservation of Rights.
